

Tri-Council Annual Meeting
4-12-2022
Representative Landscape Design School
Barbara Magnuson

Since joining the board I needed to refresh and was able to attend LDS Course 1 Series38 that was held in Orange Park. Beverly Williams registrar and Linda Broadrick District IV chair did a wonderful job in putting on this course. Beverly asked me to proctor, and I was also able to speak with a few of the attendees about joining tri council. They had a large group and I hope that will equate to many new tri-council members.

At the request of Jackie Host, I emailed a copy of Spring 2022 Issue of Newscape to all Landscape Design Consultants.

Respectfully submitted

Barbara Magnuson
